On 04/09/2025, we conducted a comprehensive survey of all broadband providers in a typical Manchester postcode area, including Virgin, BT, Sky, EE, Plusnet and other smaller broadband companies.

[Download price comparison table as PDF](#)

The results were clear. LilaConnect offers the most affordable full fibre broadband in Manchester, and we're more than competitive on all our other products and services too!

Check availability

*Comparison was based on 1Gigabit or the closest speed, was done on 04/09/2025 at M41 5TQ and inclusive of offers and incentives & set-up costs applicable. Tariffs available to consumers on the given date. Costs and savings calculated over a 24-month contract period, where the provider does not offer a 24-month contract, costs have been calculated using the stated out-of-contract tariff prices. Competitor prices may also be subject to annual price rises. Speed claims are based on average download speeds. LilaConnect speed claims are based on a hard-wired connection. Information correct as of 04/09/2025. Excludes social tariffs and other exclusive discounts.
